ASSIGNMENT

WHEREAS ELI LILLY AND COMPANY, an Indiana corporation having its principal place of business at Lilly Corporate Center, Indianapolis, IN 46285 and its affiliates (collectively, "ELI LILLY") is the sole assignee of inventions which are the subject of Letters Patents of the United States and foreign countries ("Patents") identified in the APPENDIX attached hereto and incorporated herein by reference; and

WHEREAS APPLIED MOLECULAR EVOLUTION, INC. PHARMACEUTICALS INCORPORATED, a California corporation having its principal place of business at 3520 Dunhill Street, San Diego, California 92121 and its affiliates (collectively "AME") entered into a Collaboration Agreement ("Agreement") with Eli Lilly and Company on December 17, 2001; and

WHEREAS ELI LILLY AND COMPANY is obligated under the Agreement to assign its entire right, title and interest to such Patents to AME;

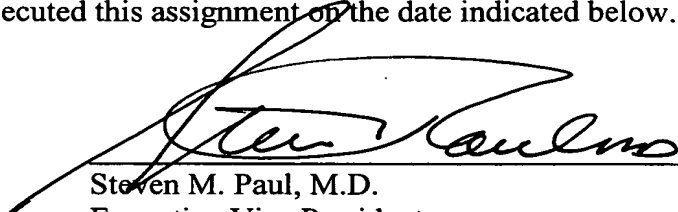

NOW, THEREFORE, ELI LILLY, its successors and assigns (collectively "Eli Lilly") hereby assigns, transfers and sets over unto AME, its successors and assigns Eli Lilly's entire right, title and interest in, to and under the Patents, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in the United States or any foreign country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications under the Patent Cooperation Treaty ("PCT"), United States provisional patent applications, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Patents, inclusive of, but not limited to, supplementary protection certificates, copyrights, and trademarks; and any and all Letters Patents of the United States and of all foreign countries and all related patent term extensions which have been or may be granted for Letters Patents; all of the above to be held and enjoyed by AME for its own use and enjoyment to the full end of the term or terms for which such Letters Patents and related intellectual property rights have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Eli Lilly had this Assignment to AME not been made.

For Eli Lilly and for its successors and legal representatives, Eli Lilly covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For Eli Lilly for its successors and legal representatives, Eli Lilly further covenants and agrees with AME that upon request a Eli Lilly representative will, without consideration: (i) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (ii) do all other acts which, in the opinion of counsel for AME, may be reasonably necessary or desirable to secure the grant of Letters Patents and related intellectual property to AME or its nominees, in the United States or any foreign country and to vest and confirm in AME or its nominees the full and complete legal and equitable title to all such Letters Patents and related intellectual property.
